# Join the *FRIENDS*—and help support the Community Library of Lake

## Our Mission

The purpose of the *FRIENDS* is to function as an independent volunteer organization to promote the welfare, interests and standards of the Community Library of Lake and Salem Townships. This group is designed to increase and improve our library resources.

**VOLUNTEERS**— Founded in 1996, we meet on the second Wednesday of the month at 9:30 A.M., lower level of the library.

Today we have 20 active members!

## Who are the *Friends*?

- \* Friends use the library's vast resources and services for information and enjoyment.
- \* Friends recognize the value of a good library and its importance to our community.
- \* Friends enhance the library, keep it a valuable resource, and are responsive to the needs of our community.

## What do the *Friends* do?

- \* Friends generate support for our library.
- \* Friends promote an awareness of the variety of services the library offers.
- \* Friends provide financial support through membership dues and fund raising activities.
