

“The Library’s Board of Directors has decided that it is appropriate to recognize those individuals who have made very significant monetary contributions to the Library over the years,” notes Library Board President Mary Anne Teeter. “The 12 inch by 12 inch plaque is located directly behind the Library’s Main Desk where the public can see and appreciate the names of those whose generosity has been so beneficial to the Library.” The first two benefactors inscribed on the plaque are Louise Grove and Burlin Abbey. Mrs. Teeter continues, “It should be noted that also deserving of our sincere thanks are the many, many other Library volunteers and supporters who, have, over the years, given freely of their time and talents to help build our Library into the fine institution it is today.”
