

Easily Listen to Hoopla in the Car - Hoopla on Android Auto

It's no surprise that many people listen to hoopla music and audiobooks while driving. By popular request, hoopla is making it easier to do just that through Android Auto!

With your device and a supported vehicle, you can play audiobooks and music you've borrowed directly through the vehicle's in-dash display. The controls are streamlined to offer only those most used for audiobook and music formats.

Audiobook Controls

Music Controls

Check out this tutorial video for more details on how to enjoy this great feature and listen safely in the car.
