

2020 marks the 80th anniversary of the Library! The Friends are looking forward to projects and events in the coming year to celebrate this milestone. With your help we'll be able to continue to support the library and staff through fund-raising, advocacy and improvements to our lovely old Victorian library building.

Your Friends membership is now due for renewal – still only \$10.

We thank you for your past support which shows that the library is important to you, your family and to our community. We love our library!

Please help us continue our work by completing and sending in the attached renewal form.
